Cook for roughly ten minutes. After you're done, then you'll just need to remove the lid and let it cool. Do You Need Anything Else? If you do, you'll need a kitchen and a pressure cooker. You'll use the pressure cooker to cook the chicken, by following the same steps, but starting with a lid that's slightly warm. Pressure cook for a minute, and then let it cool. How to Store? The chicken legs will need to be stored in the refrigerator. But don't forget to take them out before using them. How to Use?
