download Pradeep Publications Physics 11.pdf Menu Tag Archives: accountability Doing a Google search for “accountability accountability” will show you an abundance of blogs, websites, books, and other resources. The problem with all of this data is there’s so much information that it’s easy for one to get lost in the research process. One particular book that stands out is “The Heart of Change: A Journey to the Frontiers of Growth” by Steven R. Covey. In it he shares several examples of how to work towards an effective, healthy lifestyle through a series of accountability sessions. It’s a great foundation for leading an effective life. I took the time to read an entire chapter of the book for this post so you can get some key messages. Chapman shares several examples of learning how to show others we care. I’ve found that when doing my devotionals this morning I’ve used his concepts to show my wife that I care about her. Take the time to read an entire chapter, then do a short devotionals to help you use these ideas to improve your life. Today is the month I’m going to start keeping records of the 50,000 Daily Devotions from my site. It’s one of those moments that I’m sure to laugh, cry, and thank God in the morning. This will be quite a project that takes a bit of time each day. I am very grateful for the opportunity I have to share my faith with others through my time and talents. The Bible has been my life’s guidance for over 3 decades. I
