"In this generation of gaming, we have seen increased visual fidelity, longer and more in-depth seasons, and expansion of gameplay mechanics," said Jeffrey Payne, senior producer of FIFA on Xbox Live. "On Xbox One, we're bringing another layer to what a football match looks and plays like by translating the game in a way that can be played by players - with the full intensity of a football match." FIFA 22 is available on the Microsoft Store and is compatible with all major console platforms. Purchase comes with Xbox Live Gold memberships or through redemption codes when redeeming a code at the Microsoft Store. More information on FIFA Ultimate Team and for all FIFA announcements, visit the FIFA website. For more information on "FIFA Ultimate Team," visit the official FIFA site. FIFA 22 developer shares top tips for ultimate FIFA success, plus a glimpse at the game's "HyperMotion Technology," a key gameplay mechanic that will add a unique feel to FIFA Ultimate Team. Here are a few of the tips provided: "The FIFA Ambitions team has created an app that will help players get to grips with the best way to use their mobile devices in the game." We've also created a complete set of tips to help you optimize your mobile device control in FIFA." 2. "As a football fan, one of the things that you want to do is have a tactical overview of the game. That's why we've created the new Game Guide. Look at the game from a tactical perspective." "If you're running on the ground, you might need to take certain players with you. If you're attacking, you might need to run into space. If you're defending, you might be forced to play the ball wide." 3. "Eliminate the need to shift your view to perform actions. With the new split-screen, you're only ever limited by the size of the TV - no need to stretch your thumbs." 4. "One of the most common things that players use their finger to perform is the rub of the ball. The new touch controls will allow this to be done as well." "We
